

Early this past week, I received a phone call from one of our neighbors to the east of our campus. The call was about a common utility issue we are both experiencing, but the words of his conversation were incredibly encouraging. He shared a "Congratulations!" for all the work we have done on the field. He also said he sees "good things" happening here with our enrollment numbers and the visibility of "sharing the Jesus," even through the community use of our newly turfed field.

Sometimes we don't hear the good news during routine phone calls, so this was a great lift from this neighbor and his wife. At times, we take for granted the real impact we have with our words and actions. We celebrate the opportunities we get to have as a Christian school and church in this neighborhood. With events like our VBS and the recent Trunk or Treat, we see clearly that this gathering place is worth celebrating. What a joy it is to bring Jesus from the doors of this building and beyond!

Serving Him,

David Robinson
Principal, Peace With Christ Christian School

THE GIFT IS THE FREEDOM

Generosity frees us from the trap of greed, fear, and misplaced trust. God doesn't want us enslaved to money but liberated to enjoy true life—"take hold of the life that is truly life." Giving isn't loss; it's gaining a free and open-handed life.
